Sir:

On September 3, 2003, Attorneys for Applicant received a Notice of Abandonment for the failure to file a response to an Office Action dated December 18, 2002. A true and correct copy of the Notice of Abandonment is attached hereto.

Applicant's attorneys of record, Baker Botts LLP, however, never received a copy of the Office Action, and as such, could not reply to it. A search of the file jacket and docket records indicates that the Office communication was not received.

In accordance with M.P.E.P. § 711.03(c) "Petition to withdraw holding of abandonment based on failure to receive office action," Applicant submits it never received the Office Action that was mailed on December 18, 2002 and therefore cannot respond to it.

Applicant's attorney sent a status letter to the Patent Office on July 9, 2003, stating that "our periodic docket check indicates that to date we have not received an Office Action in the above-referenced application." The stamp of the Patent Office Mailroom was dated July 14, 2003 on the return postcard.

A copy of the docket record for March 18, 2003 and June 18, 2003, the three and six month dates from the Office Action mailing date is enclosed herewith. The docket record shows no entry for the above-referenced application.

Applicant requests the holding of Abandonment of the application be withdrawn and a copy of the Office Action, redated to the mailing date of the Patent Office's response to this communication, to be resent.

Applicant does not believe that any fee is required in connection with the submission of this document. However, should any additional fee be required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377.

Respectfully submitted,

BAKER BOTTS L.L.P.
